§1–301.

- (a) In this subtitle the following words have the meanings indicated.
- (b) “Environmental effects report” means a report on each proposed State action significantly affecting the environment, natural as well as socioeconomic and historic.
- (c) “Historic resources” means those resources included in the Maryland inventory of historic sites.
- (d) “Proposed State action” means requests for legislative appropriations or other legislative actions that will alter the quality of the air, land, or water resources. It does not include a request for an appropriation or other action with respect to the rehabilitation or maintenance of existing secondary roads.
- (e) “State agencies” includes the executive and administrative departments, offices, boards, commissions, and other units of the State government and any such bodies created by the State.
